# SALTY LOVE

1 X 60' **HD**

Salty Love is an underwater story of love and how marine life has found ingenious ways to reproduce. From the magic of coral spawning, the dance of the manta ray, the bond of marine mammals, the dedication of the male sea horse, the labour of love by sea turtles there are so many amazing underwater relationships.

This documentary is one of the most complete visual insights into the often mysterious lives of our underwater marine life and how it reproduces.
