

MY SON THE PORNOGRAPHER

One Hour Documentary

My Son the Pornographer is a love story about the relationship between a father and a son. We follow Art, a man raised with conservative moral values, as he visits his son Kole who works as a writer and actor in the pornography business in Prague.

Concerned about the sexual abuse Kole experienced as a child and perceiving that Kole's current lifestyle is directly linked to that sad past, Art hopes to get Kole out of a life that, in Art's eyes, is degrading and soul-destroying. Throughout the film, Art and Kole struggle with their relationship in ways that are at times both painful and humorous. As the story unfolds, Art convinces Kole to return to Canada to confront the past. When Art hires a private detective to track the abuser, he discovers how close to violence he himself can come.

This is a story about values, life choices, guilt and ultimately about the love between a father and a son.
