# UNSCHOOLED: SAVE OUR FUTURE

1 X 60'

Save our Future founder Charlotte Austin Jordan began dedicating her life to reaching inner city teens after experiencing her own personal tragedies.

When inner-city charter high school Save Our Future is forced to close its doors, dozens of Los Angeles students rally to have their voices heard. The topic of education has suddenly gone from overlooked to centre stage.

As we continue to make difficult decisions in very tough economic times, which will be of greater funding priority: schools or prisons?
