

COMMANDOS

12 x 30' **HD**

The Commandos are an elite unit within the Singapore Armed Forces, specializing in covert missions behind enemy lines and combating high-level security threats at home. But who are they, and are they born or made?

We give you unprecedented access to a year long journey that follows 250 ordinary boys on their journey to earn the red beret. We track their trials and tribulations and watch them go through personal struggles and endure physical pain as they give this once-in-a-lifetime experience their best shot!
