

THE GODS MUST BE HUNGRY

1 X 60'

How do devotees appease their god's hunger? The Gods Must Be Hungry gives a whole new perspective of food as it takes an appetizing exploration into the practices of feeding gods or better known as offerings to appease them, to seek their favour or to express one's gratitude.

This is a multi-religious journey that traces back to thousands of years through a continually evolving series of colorful legends and traditions. Come and take a sneak peak into the larder of the gods as we examine and highlight some of these practices and curious traditions that still thrive in our modern city.
